

Skills

- Power BI (data modeling, visuals, dashboards)
- Excel (PivotTables, formulas, charts)
- Python (beginner)
- SQL (beginner)
- Inventory management
- Data entry & accuracy
- Customer service
- Operations support

Experience

O'Reilly Auto Parts – Delivery Specialist

Rice Lake, Wisconsin

May 2024 – Present

- Deliver automotive parts to commercial accounts with accuracy and timely service.
- Check in incoming stock and verified inventory against invoices.
- Pull parts for commercial and retail orders using store inventory systems.
- Restock shelves and organized backroom inventory to maintain product availability.
- Assist customers at the counter with part lookups, orders, and general support.

WIS International – Inventory Counter

Rice Lake, Wisconsin

August 2018 – October 2020

- Performed accurate inventory counts using handheld data collection devices.
- Verified stock levels and identified discrepancies for retail clients.
- Maintained high accuracy under fast-paced conditions and strict deadlines.
- Collaborated with team members to complete large-scale inventory projects.

Projects

Power BI Sales Performance Dashboard –

Analyzed sales trends and built interactive visuals for KPIs, regional performance, and product-level insights.

GitHub: [Sales Dashboard](#)

Excel Expense Tracker –

Created automated monthly summaries using formulas, charts, and conditional formatting to track spending trends.

GitHub: [Expense Tracker](#)

Inventory Management Database (GitHub Project) –

Designed and built a full inventory management database including:

- Structured SQL schema
- Sample data
- Documentation
- Live version hosted online

This project demonstrates my ability to organize data, design tables, and build a functional system.

GitHub: [Inventory Management Database](#)

Sales Dashboard (GitHub Version)

Uploaded my Power BI dashboard files and documentation to GitHub for portfolio visibility and version control.

GitHub: [Sales Dashboard Repo](#)

Certifications - Inventory Management Certificate

Awards - Eagle Scout, Boy Scouts of America (2012)
